We Both Read - All fiction titles correlate to these standards.

Summary: Summary: The We Both Read books dramatically increase parent involvement in reading and are perfect for Title I Programs for Parent Involvement, as well as Title I RTI programs. The concept of the series is simple: each book is specially formatted for a parent and child to take turns reading aloud alternate pages. Parents read the left-hand pages, which feature higher level text (at about a 5th grade reading level), and students read the right-hand pages, which feature text that matches the students' reading skills. A large research study on We Both Read has confirmed the success of these books in significantly improving fluency and reading scores.
